Thank you to all the other candidates who were willing to participate in the election. The candidate pool was an especially strong one.

A special thanks to James Leach, Charles Griffin and Whit Blackstone for their dedicated service to the club as they leave the board. The WY&CC is a better place because of their service.

You will find the new Board of Directors committee assignments on the Contact Us web page at the WY&CC website.

To refresh your memories the newly elected Board of Directors profiles submitted as candidates are provided below.

New Elected Board of Directors Profiles

Larry Colwell

I am interested in serving as a Director of WYCC. I am actively involved with the yachting and senior golf groups and have a substantial interest in the future growth, improvements to the docks and the business affairs of the club.

Prior to moving here, I served on boards and committees of various organizations. After moving to Washington, I served on the Board of Directors and was Treasurer of Pamlico Plantation for several years. Presently, I am serving on the board and am treasurer of Country Club Estates. I have also served as treasurer and commander of the United States Power Squadrons in the local chapters of New Bern and Washington and served as District Education Officer. I feel that my background in the management and businesses aspects of these boards will allow me to serve the membership of the club in a positive and direct manner.

Background:

Graduate of the United States Naval Academy
Graduate of the Navy's Advanced Nuclear Power Program
Masters Degree in Marketing
VP Marketing Hercules' Motion Controls Division
VP JAS International Market Research Company
Program Manager, GE (UK) Pleassey Group
Captain USN Ret, (34 Years active and reserve service)

Maurice Cutler

I was born in Beaufort County and worked for the same company for 39 years.

I have been married to Sara for almost 50 years and we have 4 children and 8 grandchildren, all living in North Carolina.

I have been a member of WYCC since the mid seventies and have been actively supporting the Summer Festival Golf Tournament.

I am interested in all departments of the club therefore; I am running for the board because I feel it is time for a change. I feel that the club members should be better informed of what the club is doing because we are the shareholders.

I thank you for your support.

Tomp Litchfield, Jr.

Tomp is a native of Washington and has spent most of his life living and working the Beaufort County.

He has been blessed with his wife Martha Ann, and three children, Hayden, Katie and Tomp, III. His family has added a son-in-law, a daughter-in-law, and a grandson. He has been selling real estate with The Rich Company since 1991.

Litchfield is the past president of the Washington-Beaufort County Board of Realtors and past Vice President of the North Carolina Association of Realtors Region 1. Prior to selling real estate Tomp worked with his dad and brother at Moss Planing Mill Co.

Tomp is a graduate of NC State University. The WY&CC has always been special to Litchfield who worked as a lifeguard in the mid 60's.

I would greatly appreciate your vote.
